INFORMATION

COUNT ONE

THE UNITED STATES ATTORNEY CHARGES THAT:

At all times material to this information:

- On March 13, 2020, the President declared the ongoing COVID-19
 pandemic to be an emergency under Section 501(b) of the Robert T. Stafford Disaster Relief and
 Emergency Assistance Act.
- 2. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act created the PUA (Pandemic Unemployment Assistance) program, which provided unemployment benefits to individuals not eligible for regular unemployment compensation or extended unemployment benefits.
- 3. The PUA program was administered by the various states, including the Commonwealth of Pennsylvania, but its benefits were funded by the federal government. In Pennsylvania, the Pennsylvania Department of Labor and Industry (PA DLI) administered the PUA program, on behalf of the United States Department of Labor, which was responsible for overseeing the PUA program.

- 4. PA DLI required that a PUA claim be made online via the PUA website, https://pua.benefits.uc.pa.gov. The applicant was required to enter personal identification information (PII), including name, date of birth, social security number, email address, telephone number, and a physical address. An applicant was also required to answer a series of questions that enabled the PA DLI to determine the applicant's eligibility and payment amount. Once awarded PUA benefits, the applicant was required to submit weekly certifications showing continuing eligibility. PA DLI required that the application for PUA benefits as well as the weekly certifications be made online.
- 5. While each state administered its own PUA program, the application used by each state was a standard online application form. The form consisted of 27 different sections including a range of questions within each section. Some of the questions asked for the applicant's PII and biographical information, while other questions dealt with the applicant's eligibility for the program and work history. An applicant was required to provide their current employment status and answer if they were able to accept a job if offered. If the applicant was unable to accept a job, the applicant was required to provide a reason for not being able to accept a job.
- 6. The applicant was also required to disclose if they were unemployed as a result of a pandemic or major disaster. If the applicant's employment had not been affected as a result of a pandemic or major disaster, the applicant was not eligible for PUA benefits. If the applicant's employment had been affected by a pandemic or major disaster, the application was required to note in which state the applicant was affected by the pandemic or major disaster and the nature of the pandemic or major disaster.

- 7. In the 'self-certification' section of the application, the applicant was required to answer questions regarding the nature and impact of a pandemic or major disaster on the applicant's employment status. First, the applicant was required to disclose the pandemic or major disaster which affected the applicant's employment. An applicant was only eligible to receive weekly PUA benefits if the applicant was unemployed for reasons related to the COVID-19 pandemic. Second, the applicant was required to disclose the date of the applicant's last day of work. Finally, if the applicant quit their job due to COVID-19, the applicant was required to supply a reason for quitting.
- 8. As to all of these preceding questions, the applicant was required to "acknowledge that I understand that making the certification is under penalty of perjury and intentional misrepresentation in self-certifying that I may fall in one or more of these categories is fraud."
- 9. The applicant was also required to complete another certification, under penalty of perjury, that if offered a job, the applicant would be able to accept it. An applicant was required to read and understand the PUA Compensation Handbook, which stated that any earnings must be reported for each week a person works. The applicant was also required to certify once again as to the application that "all information is true and complete" and that if the applicant provided false information the applicant could be subject to criminal prosecution.
- 10. If PA DLI or another state's administrative agency approved an application for PUA benefits, the applicant was then eligible to receive benefits in the form of checks, electronic fund transfers, or debit cards, and the checks and debit cards were mailed via the United States Postal Service to the physical address that appeared on the application. When a state agency

approved an applicant's eligibility, the agency established the applicant's period of benefits, amount of weekly benefit, and maximum total benefit amount. However, even after this occurred, the applicant was not able to receive the benefits unless the applicant performed the appropriate weekly certifications.

- 11. The recipient of PUA benefits received a unique applicant number that corresponded to the applicant's initial application and weekly certifications. Payments for PUA were based on a seven-day period, from Sunday through Saturday. Thus, the benefits recipient was required to certify every seven days that he or she: a) was ready, willing and able to work each day; b) was seeking full time employment; c) did not refuse any job offers or referrals; and d) had reported any employment during the week and the gross pay or other payments received. The weekly certification was required to be completed in a timely manner. A delay in the weekly certification could result in a delay or denial of further payments.
- 12. From on or about May 18, 2020, through on or about September 1, 2020, in the Eastern District of Pennsylvania, and elsewhere, defendant

ELIZABETH GIORDANO

willfully and knowingly stole and converted to her use and the use of another money and a thing of value of the United States, specifically, Pandemic Unemployment Assistance funds under the care of the United States Department of Labor, in a value exceeding \$1,000.

ELIZABETH GIORDANO
